

Dear Students:

I hope this message finds all of you and your families safe and well.

For students remaining in Boone, modified hours for Student Health are as follows:

- * October 5 & October 6: closed
- * October 7 through October 11: open for urgent care services from 8 a.m. to 3:30 p.m.
- * October 12 & October 13: closed
- * October 14 & October 15 (Fall Break): open for urgent care services from 8 a.m. to 11 a.m.

There are some medical issues that might be addressed via telehealth as well. Please check with the front desk (828.262.3100) for availability of that option.

If you need refills of a medication that you take daily, the best plan of action would be to send the SHS Clinician that you see a message regarding needed refills here in the Medportal.

The flu clinic scheduled Wednesday October 9th, from 5pm-8pm in the SRC rotunda has been canceled.

For students in other communities, Student Health Services at other universities in the UNC system have offered to see students from Appalachian State University who have been displaced by the Hurricane. Appalachian students who are "off the mountain" could call Student Health at the following schools to request evaluation for urgent illness or injury issues. The partnering institutions with contact information are as follows:
